SI's of batch 25<sup>th</sup> after successfully completing one year Basic Induction Course are passing out from the S.K Police Academy Udhampur to serve the nation. The primary role of this Academy is to shape future leaders of J&K Police who will lead from the front with courage, uprightness, dedication and with a strong sense of service to people. To achieve this, the institution followed the course structure designed by BPR&D and also upgraded and introduced key areas of policing including Cyber Crime, Internal Security and Intelligence gathering. The pedagogical tools applied by the faculty constantly motivate the trainee officers to hone up their professional skills and imbibe feelings of self confidence. In addition, eminent speakers from academia, subject experts and senior police officers also delivered lectures on key issues of policing. Endeavour of the Academy is to inculcate such values and norms in the outgoing officers as would help them to serve people better, with emphasis on integrity, sensitivity to aspiration of people, respect for human rights, broad perspective of law & justice, high standards of professionalism, physical fitness and mental alertness. To hone up their counter insurgency skills as well as inculcate sense of working with sister security agencies, the Probationer trainee officers were also deputed to Corps Battle School (CBS) Bhalra for 15 days army attachment training programme. Recently they were also actively involved in training on Karmayogi Police persons under Mission Karmayogi launched by Capacity Building Commission, MHA, GoI.

We have a committed faculty supported by administrative staff. They all deserve a pat on the back for their untiring efforts. The Probationer Dy.SsP and Prob. SI's right now are trained, disciplined and confident to take on challenges. I and my team wish them a successful career ahead.
